EGO

design by Marco Poletti

GIULINIG.

The image features two sleek, modern faucets standing side-by-side against a dark, textured background. The faucet on the left is a solid black, while the one on the right is a vibrant blue. Both have a tall, cylindrical body and a curved spout. The blue faucet has a small, horizontal lever on top of its cylinder. The lighting is dramatic, highlighting the smooth surfaces of the faucets and the grain of the wall.
