

# MyRing...MyColor

Yellow, orange, red and blue, the colors of MyRing by Giulini. G., together with the more classical black and white, create an innovative concept that remains an open door ready to welcome your dreams. Mixing fantasy with elegance, they give to the Bathroom that pop touch that represents the success of the collection. The play of the numerous chromatic combinations leaves space for your personal taste and confers its distinctive personality and originality to the product.

**MyRing... MyColor**, a unique and exclusive collection, because it is only yours!
